

Fall Education Classroom Health & Safety Protocols Fall 2021

Health Awareness:

Please notify MAM staff if your student/child, or someone in your household, has tested positive for Covid-19. If MAM is made aware of a positive case in the Teen Art Project program (including teaching artist and education intern), MAM will notify parents immediately. MAM staff and Teaching Artists will encourage the use of masks, handwashing stations, hand sanitizer, and distancing techniques throughout the session. Please feel free to [contact MAM staff](#) with any questions or concerns. MAM is following CDC and [Missoula County](#) Covid-19 Safety Guidelines.

Drop-off Procedures:

Teen Art Project: We would appreciate it if your teen would sign in at the front desk on their way to the classroom. A staff member will greet students and answer any questions you may have. We are asking that families **do not** accompany the teens to MAM's classroom, to minimize the number of folks in that space.

After School Art Adventure: We would appreciate it if families could drop their children off in the lobby. A staff member will greet you, check your children in, and answer any questions you may have. We are asking that families **do not** accompany their children into MAM's classroom, to minimize the number of folks in that space. **Drop-off is from 3:35–3:45 PM.**

Pick-up Procedures:

Teen Art Project: Please pick up your child in the same way. Please do not go into the classroom. Pick-up begins at 5:30 PM.

After School Art Adventure: Please pick your children up in the same way. Please do not go into the classroom. Pick-up begins at 5:15 PM.

Face Coverings:

We ask that students and adults wear face coverings during drop off and pick up. All staff, students, teachers, and museums visitors are required to **wear face coverings at all times** inside the museum.

Snacks and Water Bottles:

Teen Art Project: Pizza will be provided at the back two tables in the classroom during each session. We will ask teens to sit down at the table while eating and drinking. Water bottles are ok!

After School Art Adventure: Please have a snack before you come if your child is hungry. Snacks cannot be eaten in the classroom. Water bottles are ok!
